Permit Application Conditions of Approval/Notes (Official Use Only)

Agreement and Signature of Owner and Well Contractor:

I certify that I have read this application and the information described herein is correct. I agree to comply with all State and County laws, standards, ordinances, regulations and conditions related to this well, and hereby agree to obtain all required inspections of this well. I agree to contact the Environmental Health Department at least one (1) business day prior to the desired inspection time(s). I agree to submit a "Well Completion Report" and "E-Log" (if required) to the Environmental Health Department. "Well Completion Reports" shall be submitted to the Environmental Health Department within sixty (60) days of well seal completion.

I understand that meters are recommended on all new, replacement, repaired and deepened non-exempt wells. Meters should meet current applicable industry standards and be installed per the manufacturer's specifications. I understand that this well may become subject to further requirements and restrictions in order to meet groundwater management and sustainability goals. I certify that I will work cooperatively with County Officials and Authorized Groundwater Sustainability Agency Staff in order to implement groundwater management and sustainability goals.

I understand every permit expires one (1) year after issuance. I further understand that if the well cannot be completed within one (1) year I may apply for an additional one (1) year extension, before the permit expires and with Environmental Health Department approval.
