

# What is LIHWAP?

**LIHWAP** stands for the **Low Income Household Water Assistance Program**.

**LIHWAP** offers a **one-time payment** to help you pay your **water or wastewater bills**.

**LIHWAP** helps pay overdue and/or current bills which accrued during **any timeframe**.

**The water company must be enrolled to qualify for the program.**

## What Can I Qualify For?

LIHWAP provides one-time payments to low-income households that are eligible for assistance. The size of a benefit can vary depending on the past due balance of the household's residential water and wastewater bills. In addition, program participation is limited to households receiving services from water and wastewater providers enrolled in LIHWAP to receive the payment of assistance benefits.

If you are struggling to afford your water or wastewater bills, please call your local **Community Action Department (CAD)** for an application to see if you qualify for payment assistance through LIHWAP and to find the local service provider near you to apply.

For assistance in **Glenn/Colusa/Trinity Counties**, please contact **Glenn County Community Action Department** at **(530) 865-6129** for an application.
