

Glenn County Air Pollution Control District Stationary Diesel-Fueled Agricultural Engines Greater than 50BHP

Registration & Exemption Form

Submit the following information to the Air Pollution Control District along with the engine registration fee. The fee for 2021 is \$37.07 per engine. New engines must be registered within 90 days of installation.

1. OWNER INFORMATION:

Owner Name: _____ Business Name: _____

Your Name: _____ Title: _____ Phone: _____

Mailing Address: _____ City: _____ State: _____ Zip Code: _____

2. ENGINE(S) INFORMATION. Additional engines may be listed on separate page and included with this form.

Engine #	Date Installed*	Year Made*	Tier Level	Make	Model	Serial #	Max. Brake HP	Hours Used/Year*
1								
2								
3								
4								
5								

* Approximate if necessary

3. ENGINE LOCATION(S)

Engine #	Location of Engine: Street address, GPS coordinates, OR other accurate directions.	Claiming (YES/NO)		Are there more than 3 homes not owned by you within a half mile?
		Low-Use	Remotely Located	
1				
2				
3				
4				
5				

If claiming remote exemption, provide a clear aerial image that shows scale and reference to surrounding roads and structures located within a half-mile radius to the engine (not including property owned by applicant).

If NOT claiming remote exemption, use the map on the reverse of this form to show engine location in reference to surrounding roads and structures.

I hereby certify that all information provided in this form and any attachments are true and correct to the best of my knowledge.

Signature: _____ **Title:** _____ **Date:** _____

Engine Location Map

Identify the location of each agriculture engine below. Include labeled roads and relevant structures such as homes, schools, and hospitals.
