### Re: 2021 Annual Apiary Registration Information – Glenn County

California has developed and implemented a centralized, confidential website registration option. Each county will be utilizing the website [www.beewherecalifornia.com](http://www.beewherecalifornia.com) to manage beekeeper registrations and correlating bee yard locations. You may either enter the data in the website yourself or staff at the Glenn County Agriculture Department will transpose the information you provide into the online management system.

To enter your registration electronically, please follow the included Bee Where Registration Guide.

The 2021 apiary registration fee is \$10.00. Payment is accepted by:

1. Mailing a check to the county Ag Department (include your State Beekeeper ID on check)
2. Dropping off a check (include your State Beekeeper ID on check) or cash at the office
3. Credit card: GovPay on our department's website, using the last five digits of your State Beekeeper ID as the required invoice number. Small fee applies.

<https://www.countyofglenn.net/dept/agriculture/welcome>

Checks should be made payable to Glenn County Department of Agriculture. In order for payments to be applied to the correct registration in the Bee Where program, please include your State Beekeeper ID on the memo line of the check. State Beekeeper ID number will be issued within the Bee Where program upon registration.

Thank you for your continued partnership, the registration and mapping enables effective communication efforts between beekeepers, pesticide applicators, and county agricultural commissioners to reduce pesticide incidents with bees. We look forward to working with you in the coming year.

Please direct your questions to our general office number and you will be routed to the appropriate staff for assistance. 530-934-6501

Sincerely,

A handwritten signature in black ink that reads "Marcie Skelton".

Marcie Skelton  
Glenn County Agricultural Commissioner/Sealer of Weights & Measures
