Amy Travis, OES

- Emergency Management Performance Grant (EMPG) has been approved for the year. Projects include: the purchase of tables and chairs for the alternate EOC at the GCSO conference room, and GIS equipment for the planning department which will be used to assist with mapping evacuation zones throughout the operational area.
- Both Fiscal Year 2020 and 2021 Homeland Security Grant Program (HSGP) have been approved.
- Fiscal Year 2022 HSGP is under review.
- FY 2019 is winding down, final purchases include repeaters for patrol cars, radios for fire departments, and tablet laptops for WFD.
- The EOC generator has been ordered but is delayed. The RFP for installation is in process.
- Under the State Public Safety Power Shutoff Grant (PSPS) a solar powered generator was purchased for Elk Creek Schools. The generator has arrived and can be used charge devices and run the newly purchased portable A/C units during a PSPS event.
- Drought Taskforce meetings will resume 3/17/22 at 1500 hours, GCOE Conference Room in Orland.
- OA Communications meeting will be held on April 13th at 1600, HHSA EOC Conference Room.
- 30 day PPE sustainment caches are available through Cal-OES for fire, law, and OES. Orders are due Friday 3/11/22. Contact Amy to order.
- Amy/OES is using a new email system for mass email communication – communications will come from: Gcsheriff@public.govdelivery.com

- Kyle Noderer, Cal OES

- Glenn County October Storms - claim is still under review at the executive level.
- Ongoing drought issues.

- **HHSA**

Laura Medina, PH

- Returning after an absence - current focus is meeting with program managers and getting updates on PH activities.

- Mary Thomas, PH/EPO

- Grant revisions have been approved for HPP and PHEP with a certain amount of carryover funds that must be spent by year end. Deadline for most purchases is April 1st. Encouraged all partners to submit any "wish list" items for purchase with HPP grant funds.

- **Healthcare Facilities**

- None present.

- **CUPA/Air Pollution**

Alyssa Cordova, CUPA

- CUPA is updating the area plan for hazardous materials.
- Brief discussion with the group on Haz Mat Mutual Aid request process.
- Air Pollution (Ian Ledbetter) and CUPA will attempt to attend OA fire chief meetings.

- Facilities with hazardous chemicals must update their risk management plans and might need to verify Haz Mat response with OES.
- Amy Travis suggested requesting the Yuba Sutter HazMat Team to visit the sites to become familiar with them and offer suggestions for their risk management plans.

- **Community Based Organizations/Other County Agencies:**

- Brenda Enriquez, Community Action

- There are three active workgroups under a Glenn County Health group Collaborative:
 - MAT (Medical Assisted Treatment)
 - CalAIM (Focusing on service reform and a whole-person care approach)
 - ACEs/Trauma Informed Care (Identifying the needs of medical providers and system to better serve our community through a trauma sensitive lens.)
 - The collaborative is getting ready to launch:
 - Health Care professional - Medical Shortage – Dr. Garrison is leading and currently creating a steering workgroup.
 - Ad hoc – Ambulance/EMS Care – currently identifying a team – led by Dr. Garrison and Rocio Gonzalez.
 - Community Health Worker – development of the program for Glenn County – Led by Lauren Wong – TCCAP
