SIGNATURE GATHERING GUIDE

For nomination papers or signatures in lieu of filing fee

The petition must contain signatures and residence addresses of registered voters qualified to vote for the candidate. <u>Only the voter</u> may sign his name and print his/her name and address.

A voter unable to sign his/her name may make a mark (X) if the name of the person affixing the mark is written near the mark by a witness over the age of 18 years designated by the person and the designee subscribes his/her own name as a witness by signing his/her name immediately after the words "WITNESSED BY" in the margin of the petition near the mark.

<u>Blank</u> petitions may be photocopied, handwritten or reproduced as long as all requisite statutory elements of the petition are included.

The candidate and circulator must be registered voters in the jurisdiction and both may sign the petition.

By written request from the candidate, all valid signatures on a Petition in Lieu may be counted toward the number of required signatures for nomination in non-partisan races. Only signatures of signers whose registration shows an affiliation with the candidate's own party may be counted in partisan races.

The <u>circulator's affidavit</u> must be completed by the person who witnessed the voters sign the petition. Signatures will **NOT** count where the circulator's affidavit is blank, incomplete, or unsigned, contains only initials, rather than a signature, or the dates of execution and circulation are in handwriting different from the circulator's handwriting.

A signature will **NOT** be counted where:

- The signer is not a registered voter in the jurisdiction/district during the time the petition is circulated.
- The signer uses initials for the first or middle name, is registered with a full first or middle name, and there are other voters at the same address with the same initials making it unclear who the signer is.
- Signature does not match or is different from the signature on the voter's affidavit of registration. (However, if the voter's name has changed from the registered name, the voter should print and sign both names.)
- The signature or address is crossed out.
- The signature is appended to the section so as to appear after the circulator's affidavit.
- The signature or residence address is missing.
- The address is different from the address on the voter registration during the time of circulation.
- The residence address is listed as a post office box.
- Someone writes the address other than the signer unless the signer is disabled and cannot sign his name and address, the mark must be witnessed (see 2nd paragraph above).
- The signer used ditto marks.
- The name or address is not printed clearly enough to identify the signer.
- The signer has signed more candidate petitions than there are positions open for the same office at the same election.

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammeled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

Dear Candidate or Committee Member:

As a candidate or campaign worker for either office or a ballot measure, this reminder about State law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act exempts the placing of Temporary Political Signs from normal outdoor advertising display requirements.

A Temporary Political Sign meets the following criteria:

- A. Encourages a particular vote in a scheduled election.
- B. Is placed no sooner than 90 days prior to the scheduled election and is removed within 10 days after that election.
- C. Is no larger than 32 square feet.
- D. Has had a Statement of Responsibility filed with the Department certifying a person who will be responsible for removing the sign (Attached).

A completed Statement of Responsibility must be submitted to:

Division of Traffic Operations Outdoor Advertising Program P.O. Box 942874, MS-36 Sacramento, CA 94274-0001

Temporary Political Signs shall not be placed within the right-of-way of any highway, or within 660 feet of the edge of and visible from the right-of-way of a classified "Landscaped freeway".

State law directs the Department of Transportation to remove unauthorized Temporary Political Signs and bill the responsible party for their removal. We are calling these provisions to your attention to avoid possible embarrassment or inconvenience to you and your supporters. Please share this information with those assisting in your campaign.

Should you have any questions, comments or need additional information, please call (916) 654-6473.

Mardy Thomas, Director

This is a reminder regarding California State law governing campaign signs, also known as "temporary political signs". Section 5405.3 of the California Business and Professions Code authorized the placing of "temporary political signs" separate and apart from the normal outdoor advertising display controls. The code reads as follows:

§5405.3 Nothing in this chapter, including, but not limited to, section 5404, shall prohibit the placing of temporary political signs, unless a federal agency determines that such placement would violate federal regulations. However, no such sign shall be placed within the right-of-way of any highway or within 660 feet of the edge of and visible from the right-of-way of landscaped freeway.

A temporary political sign is a sign which:

- a) Encourages a particular vote in a scheduled election.
- b) Is placed not sooner than 90 days prior to the scheduled election and is removed within 10 days along local roads and 14 days along Highways after the election.
- c) Is no larger than 32 square feet.
- d) Has had a statement of responsibility filed with the department certifying a person who will be responsible for removing the temporary political sign and who will reimburse the department for any cost incurred to remove it.

Definitions of some terms:

- "Highway" means any State Highway, County Road, or City Street.
- "Highways 32, 45, 162 and Interstate 5" are maintained by Caltrans. "Highway" 99W is a County Road.
- "City Streets" are maintained by both the City of Orland and the City of Willows.
- "Unincorporated areas of Artois, Butte City, Elk Creek, and Hamilton City" include County Roads that are maintained by Glenn County Public Works.
- "Right-of-Way" means an easement for purposes of roads, canals, pipeline and/or passage of utilities over fee title land. A right-of-way or easement does not include fee title land. The area between the utility poles and the edge of the pavement is off limits to the placement of temporary political signs.
- "Utility poles, traffic sign posts, street trees etc." area also off limits to the placement of temporary political signs.
- A "Statement of Responsibility" form is attached to this notice.

In addition to California Law, Glenn County Code Title 15 States:

§15.620.030 (I) Political Signs.

Temporary political signs not exceeding four square feet total for each property in residential categories and sixteen square feet total for each property in nonresidential categories; provided, that campaign signs shall not be ported more than sixty days preceding the election, and shall be removed with fourteen days following the election.

Please complete and return the "Statement of Responsibility" (attached) to this office. This notice is a courtesy to avoid possible embarrassment and confusion as to California State Law and County Code regulating the placement of temporary political signs. Forward this information to those assisting in your campaign to prevent confusion. We wish you the best in your election campaign. Please contact this office should you have any questions.

Dear Candidate:

This letter serves as a friendly reminder about the placement of political signs within the City of Orland. Political Signs located within the City are regulated by Orland Municipal Code Sections 17.78.050.Q and S (message) and 17.78.440.4 (sign location and size). Additionally, laws of the County and State still remain in effect within the City unless otherwise noted.

The City has previously ruled that signs are not to be placed in or about the public right of way and may not be placed on utility poles. Signs displayed prior to 60 days before the election and more than 15 days after the election will be confiscated by the City and a charge for such service will be assessed against the candidate.

Please pass this information to those assisting in your campaign to avoid confusion or non-compliance to the policy that is in place. Amendments

Statements may be amended at any time. You are only required to amend the schedule that needs to be revised. It is not necessary to amend the entire filed form. The amended schedule(s) is attached to your original filed statement. Obtain amendment schedules at *www.fppc.ca.gov.*

Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

• Report: Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position.

For positions subject to confirmation by the State Senate or the Commission on Judicial Appointments, your assuming office date is the date you were appointed or nominated to the position.

• Example: Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions Maria holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

 Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

Annual Statement:

Generally, the period covered is January 1, 2022, through December 31, 2022. If the period covered by the statement is different than January 1, 2022, through December 31, 2022, (for example, you assumed office between October 1, 2021, and December 31, 2021 or you are combining statements), you must specify the period covered.

 Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2022. If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

Leaving Office Statement:

Generally, the period covered is January 1, 2022, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2022, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2021, and December 31, 2021, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

• Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2022.

Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months <u>prior to</u> the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at *www.fppc.ca.gov.*

Note: Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

Expanded Statement:

If you hold multiple positions subject to reporting requirements, you may be able to file an expanded statement for each position, rather than a separate and distinct statement for each position. The expanded statement must cover all reportable interests for all jurisdictions and list all positions on the Form 700 or on an attachment for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.

(File the originally signed paper statement with your filing official.)

Enter your name, mailing address, and daytime telephone number in the spaces provided. Because the Form 700 is a public document, you may list your business/office address instead of your home address.

Part 1. Office, Agency, or Court

- Enter the name of the office sought or held, or the agency or court. Consultants must enter the public agency name rather than their private firm's name. (Examples: State Assembly; Board of Supervisors; Office of the Mayor; Department of Finance; Hope County Superior Court).
- Indicate the name of your division, board, or district, if applicable. (Examples: Division of Waste Management; Board of Accountancy; District 45). **Do not use acronyms.**
- Enter your position title. (Examples: Director; Chief Counsel; City Council Member; Staff Services Analyst).
- If you hold multiple positions (i.e., a city council member who also is a member of a county board or commission) you may be required to file separate and distinct statements with each agency. To simplify your filing obligations, in some cases you may instead complete a single expanded statement and file it with each agency.
 - The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1. To file an expanded statement for multiple positions, enter the name of each agency with which you are required to file and your position title with each agency in the space provided. Do not use acronyms. Attach an additional sheet if necessary. Complete one statement disclosing all reportable interests for all jurisdictions. Then file the expanded statement with each agency as directed by Regulation 18723.1(c).

If you assume or leave a position after a filing deadline, you must complete a separate statement. For example, a city council member who assumes a position with a county special district after the April annual filing deadline must file a separate assuming office statement. In subsequent years, the city council member may expand their annual filing to include both positions.

Example:

Brian Bourne is a city council member for the City of Lincoln and a board member for the Camp Far West Irrigation District – a multi-county agency that covers the Counties of Placer and Yuba. The City is located within Placer County. Brian may complete one expanded statement to disclose all reportable interests for both offices and list both positions on the Cover Page. Brian will file the expanded statement with each the City and the District as directed by Regulation 18723.1(c).

Part 2. Jurisdiction of Office

- Check the box indicating the jurisdiction of your agency and, if applicable, identify the jurisdiction. Judges, judicial candidates, and court commissioners have statewide jurisdiction. All other filers should review the Reference Pamphlet, page 13, to determine their jurisdiction.
- If your agency is a multi-county office, list each county in which your agency has jurisdiction.

 If your agency is not a state office, court, county office, city office, or multi-county office (e.g., school districts, special districts and JPAs), check the "other" box and enter the county or city in which the agency has jurisdiction.

Example:

This filer is a member of a water district board with jurisdiction in portions of Yuba and Sutter Counties.

Part 3. Type of Statement

Check at least one box. The period covered by a statement is determined by the type of statement you are filing. If you are completing a 2022 annual statement, **do not** change the pre-printed dates to reflect 2023. Your annual statement is used for reporting the **previous year's** economic interests. Economic interests for your annual filing covering January 1, 2023, through December 31, 2023, will be disclosed on your statement filed in 2024. See Reference Pamphlet, page 4.

Combining Statements: Certain types of statements for the same position may be combined. For example, if you leave office after January 1, but before the deadline for filing your annual statement, you may combine your annual and leaving office statements. File by the earliest deadline. Consult your filing officer or the FPPC.

Part 4. Schedule Summary

- Complete the Schedule Summary after you have reviewed each schedule to determine if you have reportable interests.
- Enter the total number of completed pages including the cover page and either check the box for each schedule you use to disclose interests; or if you have nothing to disclose on any schedule, check the "No reportable interests" box.
 Please do not attach any blank schedules.

Part 5. Verification

Complete the verification by signing the statement and entering the date signed. Each statement must have an original "wet" signature unless filed with a secure electronic signature. (See page 3 above.) All statements must be signed under penalty of perjury and be verified by the filer pursuant to Government Code Section 81004. See Regulation 18723.1(c) for filing instructions for copies of expanded statements. When you sign your statement, you are stating, under penalty of perjury, that it is true and correct. Only the filer has authority to sign the statement. An unsigned statement is not considered filed and you may be subject to late filing penalties.

"Investment" means a financial interest in any business entity (including a consulting business or other independent contracting business) that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency's jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more at any time during the reporting period. (See Reference Pamphlet, page 13.)

Reportable investments include:

- Stocks, bonds, warrants, and options, including those held in margin or brokerage accounts and managed investment funds (See Reference Pamphlet, page 13.)
- Sole proprietorships
- Your own business or your spouse's or registered domestic partner's business (See Reference Pamphlet, page 8, for the definition of "business entity.")
- Your spouse's or registered domestic partner's investments even if they are legally separate property
- Partnerships (e.g., a law firm or family farm)
- Investments in reportable business entities held in a retirement account (See Reference Pamphlet, page 15.)
- If you, your spouse or registered domestic partner, and dependent children together had a 10% or greater ownership interest in a business entity or trust (including a living trust), you must disclose investments held by the business entity or trust. (See Reference Pamphlet, page 16, for more information on disclosing trusts.)
- Business trusts

You are not required to disclose:

- Government bonds, diversified mutual funds, certain funds similar to diversified mutual funds (such as exchange traded funds) and investments held in certain retirement accounts. (See Reference Pamphlet, page 13.) (Regulation 18237)
- Bank accounts, savings accounts, money market
 accounts and certificates of deposits
- Cryptocurrency
- Insurance policies
- Annuities
- Commodities
- Shares in a credit union
- Government bonds (including municipal bonds)

Reminders

- Do you know your agency's jurisdiction?
- Did you hold investments at any time during the period covered by this statement?
- Code filers your disclosure categories may only require disclosure of specific investments.

- Retirement accounts invested in non-reportable interests (e.g., insurance policies, mutual funds, or government bonds) (See Reference Pamphlet, page 15.)
- Government defined-benefit pension plans (such as CalPERS and CalSTRS plans)
- Certain interests held in a blind trust (See Reference Pamphlet, page 16.)

Use Schedule A-1 to report ownership of less than 10% (e.g., stock). Schedule C (Income) may also be required if the investment is not a stock or corporate bond. (See second example below.)

Use Schedule A-2 to report ownership of 10% or greater (e.g., a sole proprietorship).

To Complete Schedule A-1:

Do not attach brokerage or financial statements.

- Disclose the name of the business entity. Do not use acronyms for the name of the business entity.
- Provide a general description of the business activity of the entity (e.g., pharmaceuticals, computers, automobile manufacturing, or communications).
- Check the box indicating the highest fair market value of your investment during the reporting period. If you are filing a candidate or an assuming office statement, indicate the fair market value on the filing date or the date you took office, respectively. (See page 20 for more information.)
- Identify the nature of your investment (e.g., stocks, warrants, options, or bonds).
- An acquired or disposed of date is only required if you initially acquired or entirely disposed of the investment interest during the reporting period. The date of a stock dividend reinvestment or partial disposal is not required. Generally, these dates will not apply if you are filing a candidate or an assuming office statement.

Examples:

Frank Byrd holds a state agency position. Frank's conflict of interest code requires full disclosure of investments. Frank must disclose stock holdings of \$2,000 or more in any company that is located in or does business in California, as well as those stocks held by Franks's spouse or registered domestic partner and dependent children.

Alice Lance is a city council member. Alice has a 4% interest, worth \$5,000, in a limited partnership located in the city. Alice must disclose the partnership on Schedule A-1 and income of \$500 or more received from the partnership on Schedule C.

Use Schedule A-2 to report investments in a business entity (including a consulting business or other independent contracting business) or trust (including a living trust) in which you, your spouse or registered domestic partner, and your dependent children, together or separately, had a 10% or greater interest, totaling \$2,000 or more, during the reporting period and which is located in, doing business in, planning to do business in, or which has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 13.) A trust located outside your agency's jurisdiction is reportable if it holds assets that are located in or doing business in the jurisdiction. Do not report a trust that contains non-reportable interests. For example, a trust containing only your personal residence not used in whole or in part as a business, your savings account, and some municipal bonds, is not reportable.

Also report on Schedule A-2 investments and real property held by that entity or trust if your pro rata share of the investment or real property interest was \$2,000 or more during the reporting period.

To Complete Schedule A-2:

Part 1. Disclose the name and address of the business entity or trust. If you are reporting an interest in a business entity, check "Business Entity" and complete the box as follows:

- Provide a general description of the business activity of the entity.
- Check the box indicating the highest fair market value of your investment during the reporting period.
- If you initially acquired or entirely disposed of this interest during the reporting period, enter the date acquired or disposed.
- · Identify the nature of your investment.
- Disclose the job title or business position you held with the entity, if any (i.e., if you were a director, officer, partner, trustee, employee, or held any position of management). A business position held by your spouse is not reportable.

Part 2. Check the box indicating **your pro rata** share of the **gross** income received **by** the business entity or trust. This amount includes your pro rata share of the **gross** income **from** the business entity or trust, as well as your community property interest in your spouse's or registered domestic partner's share. Gross income is the total amount of income before deducting expenses, losses, or taxes.

Part 3. Disclose the name of each source of income that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency's jurisdiction, as follows:

- Disclose each source of income and outstanding loan to the business entity or trust identified in Part 1 if your pro rata share of the gross income (including your community property interest in your spouse's or registered domestic partner's share) to the business entity or trust from that source was \$10,000 or more during the reporting period. (See Reference Pamphlet, page 11, for examples.) Income from governmental sources may be reportable if not considered salary. See Regulation 18232. Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.
- Disclose each individual or entity that was a source of commission income of \$10,000 or more during the reporting period through the business entity identified in Part 1. (See Reference Pamphlet, page 8.)

You may be required to disclose sources of income located outside your jurisdiction. For example, you may have a client who resides outside your jurisdiction who does business on a regular basis with you. Such a client, if a reportable source of \$10,000 or more, must be disclosed.

Mark "None" if you do not have any reportable \$10,000 sources of income to disclose. Phrases such as "various clients" or "not disclosing sources pursuant to attorney-client privilege" are not adequate disclosure. (See Reference Pamphlet, page 14, for information on procedures to request an exemption from disclosing privileged information.)

Part 4. Report any investments or interests in real property held or leased **by the entity or trust** identified in Part 1 if your pro rata share of the interest held was \$2,000 or more during the reporting period. Attach additional schedules or use FPPC's Form 700 Excel spreadsheet if needed.

- Check the applicable box identifying the interest held as real property or an investment.
- If investment, provide the name and description of the business entity.
- If real property, report the precise location (e.g., an assessor's parcel number or address).
- Check the box indicating the highest fair market value of your interest in the real property or investment during the reporting period. (Report the fair market value of the portion of your residence claimed as a tax deduction if you are utilizing your residence for business purposes.)
- · Identify the nature of your interest.
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property or investment during the reporting period.

Comments: _

Report interests in real property located in your agency's jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more any time during the reporting period. Real property is also considered to be "within the jurisdiction" of a local government agency if the property or any part of it is located within two miles outside the boundaries of the jurisdiction or within two miles of any land owned or used by the local government agency. (See Reference Pamphlet, page 13.)

Interests in real property include:

- An ownership interest (including a beneficial ownership interest)
- · A deed of trust, easement, or option to acquire property
- A leasehold interest (See Reference Pamphlet, page 14.)
- · A mining lease
- An interest in real property held in a retirement account (See Reference Pamphlet, page 15.)
- An interest in real property held by a business entity or trust in which you, your spouse or registered domestic partner, and your dependent children together had a 10% or greater ownership interest (Report on Schedule A-2.)
- Your spouse's or registered domestic partner's interests in real property that are legally held separately by him or her

You are not required to report:

- A residence, such as a home or vacation cabin, used exclusively as a personal residence (However, a residence in which you rent out a room or for which you claim a business deduction may be reportable. If reportable, report the fair market value of the portion claimed as a tax deduction.)
- Some interests in real property held through a blind trust (See Reference Pamphlet, page 16.)
 - Please note: A non-reportable property can still be grounds for a conflict of interest and may be disqualifying.

To Complete Schedule B:

- Report the precise location (e.g., an assessor's parcel number or address) of the real property.
- Check the box indicating the fair market value of your interest in the property (regardless of what you owe on the property).
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property during the reporting period.
- Identify the nature of your interest. If it is a leasehold,

Reminders

- Income and loans already reported on Schedule B are not also required to be reported on Schedule C.
- Real property already reported on Schedule A-2, Part 4 is not also required to be reported on Schedule B.
- Code filers do your disclosure categories require disclosure of real property?

disclose the number of years remaining on the lease.

- If you received rental income, check the box indicating the gross amount you received.
- If you had a 10% or greater interest in real property and received rental income, list the name of the source(s) if your pro rata share of the gross income from any single tenant was \$10,000 or more during the reporting period. If you received a total of \$10,000 or more from two or more tenants acting in concert (in most cases, this will apply to married couples), disclose the name of each tenant. Otherwise, mark "None."
- Loans from a private lender that total \$500 or more and are secured by real property may be reportable. Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.

When reporting a loan:

- Provide the name and address of the lender.
- Describe the lender's business activity.
- Disclose the interest rate and term of the loan. For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period. The term of a loan is the total number of months or years given for repayment of the loan at the time the loan was established.
- Check the box indicating the highest balance of the loan during the reporting period.
- Identify a guarantor, if applicable.

If you have more than one reportable loan on a single piece of real property, report the additional loan(s) on Schedule C.

Example:

Allison Gande is a city planning commissioner. During the reporting period, Allison received rental income of \$12,000, from a single tenant who rented property owned in the city's jurisdiction. If Allison received \$6,000 each from two tenants, the tenants' names would not be required because no single tenant paid her \$10,000 or more. A married couple is considered a single tenant.

Instructions – Schedule C Income, Loans, & Business Positions (Income Other Than Gifts and Travel Payments)

Reporting Income:

Report the source and amount of gross income of \$500 or more you received during the reporting period. Gross income is the total amount of income before deducting expenses, losses, or taxes and includes loans other than loans from a commercial lending institution. (See Reference Pamphlet, page 11.) You must also report the source of income to your spouse or registered domestic partner if your community property share was \$500 or more during the reporting period.

The source and income must be reported only if the source is located in, doing business in, planning to do business in, or has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 13.) Reportable sources of income may be further limited by your disclosure category located in your agency's conflict of interest code.

Reporting Business Positions:

You must report your job title with each reportable business entity even if you received no income during the reporting period. Use the comments section to indicate that no income was received.

Commonly reportable income and loans include:

- Salary/wages, per diem, and reimbursement for expenses including travel payments provided by your employer
- Community property interest (50%) in your spouse's or registered domestic partner's income - **report the employer's name and all other required information**
- Income from investment interests, such as partnerships, reported on Schedule A-1
- Commission income not required to be reported on Schedule A-2 (See Reference Pamphlet, page 8.)
- Gross income from any sale, including the sale of a house or car (Report your pro rata share of the total sale price.)
- · Rental income not required to be reported on Schedule B
- · Prizes or awards not disclosed as gifts
- · Payments received on loans you made to others
- An honorarium received prior to becoming a public official (See Reference Pamphlet, page 10.)
- Incentive compensation (See Reference Pamphlet, page 12.)

Reminders

- Code filers your disclosure categories may not require disclosure of all sources of income.
- If you or your spouse or registered domestic partner are self-employed, report the business entity on Schedule A-2.
- Do not disclose on Schedule C income, loans, or business positions already reported on Schedules A-2 or B.

You are not required to report:

- Salary, reimbursement for expenses or per diem, or social security, disability, or other similar benefit payments received by you or your spouse or registered domestic partner from a federal, state, or local government agency.
- Stock dividends and income from the sale of stock unless the source can be identified.
- Income from a PERS retirement account.

(See Reference Pamphlet, page 12.)

To Complete Schedule C:

Part 1. Income Received/Business Position Disclosure

- Disclose the name and address of each source of income or each business entity with which you held a business position.
- Provide a general description of the business activity if the source is a business entity.
- Check the box indicating the amount of gross income received.
- Identify the consideration for which the income was received.
- For income from commission sales, check the box indicating the gross income received and list the name of each source of commission income of \$10,000 or more. (See Reference Pamphlet, page 8.) Note: If you receive commission income on a regular basis or have an ownership interest of 10% or more, you must disclose the business entity and the income on Schedule A-2.
- Disclose the job title or business position, if any, that you held with the business entity, even if you did not receive income during the reporting period.

Part 2. Loans Received or Outstanding During the Reporting Period

- Provide the name and address of the lender.
- Provide a general description of the business activity if the lender is a business entity.
- Check the box indicating the highest balance of the loan during the reporting period.
- Disclose the interest rate and the term of the loan.
 - For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period.
 - The term of the loan is the total number of months or years given for repayment of the loan at the time the loan was entered into.
- Identify the security, if any, for the loan.

Comments: _

A gift is anything of value for which you have not provided equal or greater consideration to the donor. A gift is reportable if its fair market value is \$50 or more. In addition, multiple gifts totaling \$50 or more received during the reporting period from a single source must be reported.

It is the acceptance of a gift, not the ultimate use to which it is put, that imposes your reporting obligation. Except as noted below, you must report a gift even if you never used it or if you gave it away to another person.

If the exact amount of a gift is unknown, you must make a good faith estimate of the item's fair market value. Listing the value of a gift as "over \$50" or "value unknown" is not adequate disclosure. In addition, if you received a gift through an intermediary, you must disclose the name, address, and business activity of both the donor and the intermediary. You may indicate an intermediary either in the "source" field after the name or in the "comments" section at the bottom of Schedule D.

Commonly reportable gifts include:

- · Tickets/passes to sporting or entertainment events
- Tickets/passes to amusement parks
- Parking passes not used for official agency business
- Food, beverages, and accommodations, including those provided in direct connection with your attendance at a convention, conference, meeting, social event, meal, or like gathering
- Rebates/discounts not made in the regular course of business to members of the public without regard to official status
- Wedding gifts (See Reference Pamphlet, page 16)
- An honorarium received prior to assuming office (You may report an honorarium as income on Schedule C, rather than as a gift on Schedule D, if you provided services of equal or greater value than the payment received. See Reference Pamphlet, page 10.)
- Transportation and lodging (See Schedule E.)
- Forgiveness of a loan received by you

Reminders

- Gifts from a single source are subject to a \$520 limit in **2022**. (See Reference Pamphlet, page 10.)
- Code filers you only need to report gifts from reportable sources.

Gift Tracking Mobile Application

• FPPC has created a gift tracking app for mobile devices that helps filers track gifts and provides a quick and easy way to upload the information to the Form 700. Visit FPPC's website to download the app.

You are not required to disclose:

- Gifts that were not used and that, within 30 days after receipt, were returned to the donor or delivered to a charitable organization or government agency without being claimed by you as a charitable contribution for tax purposes
- Gifts from your spouse or registered domestic partner, child, parent, grandparent, grandchild, brother, sister, and certain other family members (See Regulation 18942 for a complete list.). The exception does not apply if the donor was acting as an agent or intermediary for a reportable source who was the true donor.
- Gifts of similar value exchanged between you and an individual, other than a lobbyist registered to lobby your state agency, on holidays, birthdays, or similar occasions
- Gifts of informational material provided to assist you in the performance of your official duties (e.g., books, pamphlets, reports, calendars, periodicals, or educational seminars)
- A monetary bequest or inheritance (However, inherited investments or real property may be reportable on other schedules.)
- Personalized plaques or trophies with an individual value of less than \$250
- · Campaign contributions
- Up to two tickets, for your own use, to attend a fundraiser for a campaign committee or candidate, or to a fundraiser for an organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. The ticket must be received from the organization or committee holding the fundraiser.
- Gifts given to members of your immediate family if the source has an established relationship with the family member and there is no evidence to suggest the donor had a purpose to influence you. (See Regulation 18943.)
- Free admission, food, and nominal items (such as a pen, pencil, mouse pad, note pad or similar item) available to all attendees, at the event at which the official makes a speech (as defined in Regulation 18950(b)(2)), so long as the admission is provided by the person who organizes the event.
- Any other payment not identified above, that would otherwise meet the definition of gift, where the payment is made by an individual who is not a lobbyist registered to lobby the official's state agency, where it is clear that the gift was made because of an existing personal or business relationship unrelated to the official's position and there is no evidence whatsoever at the time the gift is made to suggest the donor had a purpose to influence you.

To Complete Schedule D:

- Disclose the full name (not an acronym), address, and, if a business entity, the business activity of the source.
- Provide the date (month, day, and year) of receipt, and disclose the fair market value and description of the gift.

SCHEDULE E Income – Gifts Travel Payments, Advances, and Reimbursements

Name

- Mark either the gift or income box.
- Mark the "501(c)(3)" box for a travel payment received from a nonprofit 501(c)(3) organization or the "Speech" box if you made a speech or participated in a panel. Per Government Code Section 89506, these payments may not be subject to the gift limit. However, they may result in a disqualifying conflict of interest.
- For gifts of travel, provide the travel destination.

Comments:

Travel payments reportable on Schedule E include advances and reimbursements for travel and related expenses, including lodging and meals.

Gifts of travel may be subject to the gift limit. In addition, certain travel payments are reportable gifts, but are not subject to the gift limit. To avoid possible misinterpretation or the perception that you have received a gift in excess of the gift limit, you may wish to provide a specific description of the purpose of your travel. (See the FPPC fact sheet entitled "Limitations and Restrictions on Gifts, Honoraria, Travel, and Loans" to read about travel payments under section 89506(a).)

You are not required to disclose:

- Travel payments received from any state, local, or federal government agency for which you provided services equal or greater in value than the payments received, such as reimbursement for travel on agency business from your government agency employer.
- A payment for travel from another local, state, or federal government agency and related per diem expenses when the travel is for education, training or other inter-agency programs or purposes.
- Travel payments received from your employer in the normal course of your employment that are included in the income reported on Schedule C.
- A travel payment that was received from a nonprofit entity exempt from taxation under Internal Revenue Code Section 501(c)(3) for which you provided equal or greater consideration, such as reimbursement for travel on business for a 501(c)(3) organization for which you are a board member.

Note: Certain travel payments may not be reportable if reported via email on Form 801 by your agency.

To Complete Schedule E:

- Disclose the full name (not an acronym) and address of the source of the travel payment.
- Identify the business activity if the source is a business entity.
- Check the box to identify the payment as a gift or income, report the amount, and disclose the date(s).
 - **Travel payments are gifts** if you did not provide services that were equal to or greater in value than the payments received. You must disclose gifts totaling \$50 or more from a single source during the period covered by the statement.

When reporting travel payments that are gifts, you must provide a description of the gift, the **date(s)** received, and the **travel destination**.

• **Travel payments are income** if you provided services that were equal to or greater in value than the

payments received. You must disclose income totaling \$500 or more from a single source during the period covered by the statement. You have the burden of proving the payments are income rather than gifts. When reporting travel payments as income, you must describe the services you provided in exchange for the payment. You are not required to disclose the date(s) for travel payments that are income.

Example:

City council member MaryClaire Chandler is the chair of a 501(c)(6) trade association, and the association pays for MaryClaire's travel to attend its meetings. Because

MaryClaire is deemed to be providing equal or greater consideration for the travel payment by virtue of serving on the board, this payment may be reported as income. Payments for MaryClaire to attend other events for which they are not providing services are likely considered gifts.

	Other - Provide Description Travel reimbursement for board meeting.
►	If Gift. Provide Travel Destination

Note that the same payment from a 501(c)(3) would NOT be reportable.

Example:

Mayor Kim travels to China on a trip organized by China Silicon Valley Business Development, a California nonprofit, 501(c)(6) organization. The Chengdu Municipal People's

Government pays for Mayor Kim's airfare and travel costs, as well as meals and lodging during the trip. The trip's agenda shows that the trip's purpose is to promote job creation and economic activity in China and in Silicon Valley, so the trip is reasonably related to a governmental purpose.

i Gift, Provide Travel Destination Sichuan Sheng, China			

Thus, Mayor Kim must report the gift of travel, but the gift is exempt from the gift limit. In this case, the travel payments are not subject to the gift limit because the source is a foreign government and because the travel is reasonably related to a governmental purpose. (Section 89506(a)(2).) Note that Mayor Kim could be disqualified from participating in or making decisions about The Chengdu Municipal People's Government for 12 months. Also note that if China Silicon Valley Business Development (a 501(c)(6) organization) paid for the travel costs rather than the governmental organization, the payments would be subject to the gift limits. (See the FPPC fact sheet, Limitations and Restrictions on Gifts, Honoraria, Travel and Loans, at www.fppc.ca.gov.) The Political Reform Act (Gov. Code Sections 81000-91014) requires most state and local government officials and employees to publicly disclose their economic interests including personal assets and income. The Act's conflict of interest provisions also disqualify a public official from taking part in a governmental decision if it is reasonably foreseeable that the decision will have a material financial effect on these economic interests as well as the official's personal finances and those of immediate family. (Gov. Code Sections 87100 and 87103.) The Fair Political Practices Commission (FPPC) is the state agency responsible for issuing the attached Statement of Economic Interests, Form 700, and for interpreting the Act's provisions.

Gift Prohibition

Gifts received by most state and local officials, employees, and candidates are subject to a limit. In 2021-2022, the gift limit increased to \$520 from a single source during a calendar year.

Additionally, state officials, state candidates, and certain state employees are subject to a \$10 limit per calendar month on gifts from lobbyists and lobbying firms registered with the Secretary of State. See Reference Pamphlet, page 10.

State and local officials and employees should check with their agency to determine if other restrictions apply.

Disqualification

Public officials are, under certain circumstances, required to disqualify themselves from making, participating in, or attempting to influence governmental decisions that will affect their economic interests. This may include interests they are not required to disclose. For example, a personal residence is often not reportable, but may be grounds for disqualification. Specific disqualification requirements apply to 87200 filers (e.g., city councilmembers, members of boards of supervisors, planning commissioners, etc.). These officials must publicly identify the economic interest that creates a conflict of interest and leave the room before a discussion or vote takes place at a public meeting. For more information, consult Government Code Section 87105, Regulation 18707, and the Guide to Recognizing Conflicts of Interest page at *www.fppc.ca.gov*.

Honorarium Ban

Most state and local officials, employees, and candidates are prohibited from accepting an honorarium for any speech given, article published, or attendance at a conference, convention, meeting, or like gathering. (See Reference Pamphlet, page 10.)

Loan Restrictions

Certain state and local officials are subject to restrictions on loans. (See Reference Pamphlet, page 14.)

Post-Governmental Employment

There are restrictions on representing clients or employers before former agencies. The provisions apply to elected state officials, most state employees, local elected officials, county chief administrative officers, city managers, including the chief administrator of a city, and general managers or chief administrators of local special districts and JPAs. The FPPC website has fact sheets explaining the provisions.

Late Filing

The filing officer who retains originally-signed or electronically filed statements of economic interests may impose on an individual a fine for any statement that is filed late. The fine is \$10 per day up to a maximum of \$100. Late filing penalties may be reduced or waived under certain circumstances.

Persons who fail to timely file their Form 700 may be referred to the FPPC's Enforcement Division (and, in some cases, to the Attorney General or district attorney) for investigation and possible prosecution. In addition to the late filing penalties, a fine of up to \$5,000 per violation may be imposed.

For assistance concerning reporting, prohibitions, and restrictions under the Act:

- Email questions to advice@fppc.ca.gov.
- Call the FPPC toll-free at (866) 275-3772.

Form 700 is a Public Document Public Access Must Be Provided

Statements of Economic Interests are public documents. The filing officer must permit any member of the public to inspect and receive a copy of any statement.

- Statements must be available as soon as possible during the agency's regular business hours, but in any event not later than the second business day after the statement is received. Access to the Form 700 is not subject to the Public Records Act procedures.
- No conditions may be placed on persons seeking access to the forms.
- No information or identification may be required from persons seeking access.
- Reproduction fees of no more than 10 cents per page may be charged.

General

- Q. What is the reporting period for disclosing interests on an assuming office statement or a candidate statement?
- A. On an assuming office statement, disclose all reportable investments, interests in real property, and business positions held on the date you assumed office. In addition, you must disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you assumed office.

On a candidate statement, disclose all reportable investments, interests in real property, and business positions held on the date you file your declaration of candidacy. You must also disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you file your declaration of candidacy.

- Q. I hold two other board positions in addition to my position with the county. Must I file three statements of economic interests?
- A. Yes, three are required. However, you may instead complete an expanded statement listing the county and the two boards on the Cover Page or an attachment as the agencies for which you will be filing. Disclose all reportable economic interests in all three jurisdictions on the expanded statement. File the expanded statement for your primary position providing an original "wet" signature unless filed with a secure electronic signature. (See page 3 above.) File copies of the expanded statement with the other two agencies as required by Regulation 18723.1(c). Remember to complete separate statements for positions that you leave or assume during the year.
- Q. I am a department head who recently began acting as city manager. Should I file as the city manager?
- A. Yes. File an assuming office statement as city manager. Persons serving as "acting," "interim," or "alternate" must file as if they hold the position because they are or may be performing the duties of the position.

- Q. My spouse and I are currently separated and in the process of obtaining a divorce. Must I still report my spouse's income, investments, and interests in real property?
- A. Yes. A public official must continue to report a spouse's economic interests until such time as dissolution of marriage proceedings is final. However, if a separate property agreement has been reached prior to that time, your estranged spouse's income may not have to be reported. Contact the FPPC for more information.
- Q. As a designated employee, I left one state agency to work for another state agency. Must I file a leaving office statement?
- A. Yes. You may also need to file an assuming office statement for the new agency.

Investment Disclosure

- Q. I have an investment interest in shares of stock in a company that does not have an office in my jurisdiction. Must I still disclose my investment interest in this company?
- A. Probably. The definition of "doing business in the jurisdiction" is not limited to whether the business has an office or physical location in your jurisdiction. (See Reference Pamphlet, page 13.)
- Q. My spouse and I have a living trust. The trust holds rental property in my jurisdiction, our primary residence, and investments in diversified mutual funds. I have full disclosure. How is this trust disclosed?
- A. Disclose the name of the trust, the rental property and its income on Schedule A-2. Your primary residence and investments in diversified mutual funds registered with the SEC are not reportable.
- Q. I am required to report all investments. I have an IRA that contains stocks through an account managed by a brokerage firm. Must I disclose these stocks even though they are held in an IRA and I did not decide which stocks to purchase?
- A. Yes. Disclose on Schedule A-1 or A-2 any stock worth \$2,000 or more in a business entity located in or doing business in your jurisdiction.

- Q. The value of my stock changed during the reporting period. How do I report the value of the stock?
- A. You are required to report the highest value that the stock reached during the reporting period. You may use your monthly statements to determine the highest value. You may also use the entity's website to determine the highest value. You are encouraged to keep a record of where you found the reported value. Note that for an assuming office statement, you must report the value of the stock on the date you assumed office.
- Q. I am the sole owner of my business, an S-Corporation. I believe that the nature of the business is such that it cannot be said to have any "fair market value" because it has no assets. I operate the corporation under an agreement with a large insurance company. My contract does not have resale value because of its nature as a personal services contract. Must I report the fair market value for my business on Schedule A-2 of the Form 700?
- A. Yes. Even if there are no *tangible* assets, intangible assets, such as relationships with companies and clients are commonly sold to qualified professionals. The "fair market value" is often quantified for other purposes, such as marital dissolutions or estate planning. In addition, the IRS presumes that "personal services corporations" have a fair market value. A professional "book of business" and the associated goodwill that generates income are not without a determinable value. The Form 700 does not require a precise fair market value; it is only necessary to check a box indicating the broad range within which the value falls.
- Q. I own stock in IBM and must report this investment on Schedule A-1. I initially purchased this stock in the early 1990s; however, I am constantly buying and selling shares. Must I note these dates in the "Acquired" and "Disposed" fields?
- A. No. You must only report dates in the "Acquired" or "Disposed" fields when, during the reporting period, you initially purchase a reportable investment worth \$2,000 or more or when you dispose of the entire investment. You are not required to track the partial trading of an investment.

- Q. On last year's filing I reported stock in Encoe valued at \$2,000 \$10,000. Late last year the value of this stock fell below and remains at less than \$2,000. How should this be reported on this year's statement?
- A. You are not required to report an investment if the value was less than \$2,000 during the **entire** reporting period. However, because a disposed date is not required for stocks that fall below \$2,000, you may want to report the stock and note in the "comments" section that the value fell below \$2,000. This would be for informational purposes only; it is not a requirement.
- Q. We have a Section 529 account set up to save money for our son's college education. Is this reportable?
- A. If the Section 529 account contains reportable interests (e.g., common stock valued at \$2,000 or more), those interests are reportable (not the actual Section 529 account). If the account contains solely mutual funds, then nothing is reported.

Income Disclosure

- Q. I reported a business entity on Schedule A-2. Clients of my business are located in several states. Must I report all clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2, Part 3?
- A. No, only the clients located in or doing business on a regular basis in your jurisdiction must be disclosed.
- Q. I believe I am not required to disclose the names of clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2 because of their right to privacy. Is there an exception for reporting clients' names?
- A. Regulation 18740 provides a procedure for requesting an exemption to allow a client's name not to be disclosed if disclosure of the name would violate a legally recognized privilege under California or Federal law. This regulation may be obtained from our website at *www.fppc.ca.gov.* (See Reference Pamphlet, page 14.)

- Q. I am sole owner of a private law practice that is not reportable based on my limited disclosure category. However, some of the sources of income to my law practice are from reportable sources. Do I have to disclose this income?
- A. Yes, even though the law practice is not reportable, reportable sources of income to the law practice of \$10,000 or more must be disclosed. This information would be disclosed on Schedule C with a note in the "comments" section indicating that the business entity is not a reportable investment. The note would be for informational purposes only; it is not a requirement.
- Q. I am the sole owner of my business. Where do I disclose my income on Schedule A-2 or Schedule C?
- A. Sources of income to a business in which you have an ownership interest of 10% or greater are disclosed on Schedule A-2. (See Reference Pamphlet, page 8.)
- Q. My spouse is a partner in a four-person firm where all of their business is based on their own billings and collections from various clients. How do I report my community property interest in this business and the income generated in this manner?
- A. If your spouse's investment in the firm is 10% or greater, disclose 100% of your spouse's share of the business on Schedule A-2, Part 1 and 50% of your spouse's income on Schedule A-2, Parts 2 and 3. For example, a client of your spouse's must be a source of at least \$20,000 during the reporting period before the client's name is reported.
- Q. How do I disclose my spouse's or registered domestic partner's salary?
- A. Report the name of the employer as a source of income on Schedule C.
- Q. I am a doctor. For purposes of reporting \$10,000 sources of income on Schedule A-2, Part 3, are the patients or their insurance carriers considered sources of income?
- A. If your patients exercise sufficient control by selecting you instead of other doctors, then your patients, rather than their insurance carriers, are sources of income to you. (See Reference Pamphlet, page 14.)

- Q. I received a loan from my grandfather to purchase my home. Is this loan reportable?
- A. No. Loans received from family members are not reportable.
- Q. Many years ago, I loaned my parents several thousand dollars, which they paid back this year. Do I need to report this loan repayment on my Form 700?
- A. No. Payments received on a loan made to a family member are not reportable.

Real Property Disclosure

- Q. During this reporting period we switched our principal place of residence into a rental. I have full disclosure and the property is located in my agency's jurisdiction, so it is now reportable. Because I have not reported this property before, do I need to show an "acquired" date?
- A. No, you are not required to show an "acquired" date because you previously owned the property. However, you may want to note in the "comments" section that the property was not previously reported because it was used exclusively as your residence. This would be for informational purposes only; it is not a requirement.
- Q. I am a city manager, and I own a rental property located in an adjacent city, but one mile from the city limit. Do I need to report this property interest?
- A. Yes. You are required to report this property because it is located within 2 miles of the boundaries of the city you manage.
- Q. Must I report a home that I own as a personal residence for my daughter?
- A. You are not required to disclose a home used as a personal residence for a family member unless you receive income from it, such as rental income.
- Q. I am a co-signer on a loan for a rental property owned by a friend. Since I am listed on the deed of trust, do I need to report my friend's property as an interest in real property on my Form 700?
- A. No. Simply being a co-signer on a loan for property does not create a reportable interest in that real property.

Gift Disclosure

- Q. If I received a reportable gift of two tickets to a concert valued at \$100 each, but gave the tickets to a friend because I could not attend the concert, do I have any reporting obligations?
- A. Yes. Since you accepted the gift and exercised discretion and control of the use of the tickets, you must disclose the gift on Schedule D.
- Q. Julia and Jared Benson, a married couple, want to give a piece of artwork to a county supervisor. Is each spouse considered a separate source for purposes of the gift limit and disclosure?
- A. Yes, each spouse may make a gift valued at the gift limit during a calendar year. For example, during 2022 the gift limit was \$520, so the Bensons may have given the supervisor artwork valued at no more than \$1,040. The supervisor must identify Jared and Julia Benson as the sources of the gift.
- Q. I am a Form 700 filer with full disclosure. Our agency holds a holiday raffle to raise funds for a local charity. I bought \$10 worth of raffle tickets and won a gift basket valued at \$120. The gift basket was donated by Doug Brewer, a citizen in our city. At the same event, I bought raffle tickets for, and won a quilt valued at \$70. The quilt was donated by a coworker. Are these reportable gifts?
- A. Because the gift basket was donated by an outside source (not an agency employee), you have received a reportable gift valued at \$110 (the value of the basket less the consideration paid). The source of the gift is Doug Brewer and the agency is disclosed as the intermediary. Because the quilt was donated by an employee of your agency, it is not a reportable gift.

- Q. My agency is responsible for disbursing grants. An applicant (501(c)(3) organization) met with agency employees to present its application. At this meeting, the applicant provided food and beverages. Would the food and beverages be considered gifts to the employees? These employees are designated in our agency's conflict of interest code and the applicant is a reportable source of income under the code.
- A. Yes. If the value of the food and beverages consumed by any one filer, plus any other gifts received from the same source during the reporting period total \$50 or more, the food and beverages would be reported using the fair market value and would be subject to the gift limit.
- Q. I received free admission to an educational conference related to my official duties. Part of the conference fees included a round of golf. Is the value of the golf considered informational material?
- A. No. The value of personal benefits, such as golf, attendance at a concert, or sporting event, are gifts subject to reporting and limits.

Period Covered:

The period covered is always the calendar year (January 1 through December 31).

When to File:

Ensure campaign deadlines are met. Go to www.fppc.ca.gov for campaign disclosure filing schedules.

If the Form 470 is filed in connection with an election, or on or before the filing deadline for the first campaign statement required for the calendar year, no additional campaign statements need to be filed for that calendar year as long as total contributions received remain less than \$2,000 and total expenditures made remain less than \$2,000. In most cases, July 31 is the filing deadline for the first campaign statement required to be filed by officeholders and candidates not being voted upon.

The Form 470 is filed in connection with an election if it is filed with the declaration of candidacy, or as a first preelection statement in connection with an election, covering the year of the election. CALIFORNIA ELECTIONS CODE

Sec. 9. (a) Counting of words, for purposes of this code, shall be as follows:

(1) Punctuation is not counted.

(2) Each word shall be counted as one word except as specified in this section.

(3) All geographical names shall be considered as one word; for example, "City and County of San Francisco" shall be counted as one word.

(4) Each abbreviation for a word, phrase, or expression shall be counted as one word.

(5) Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

(6) Dates consisting of a combination of words and digits shall be counted as two words. Dates consisting only of a combination of digits shall be counted as one word.

(7) Any number consisting of a digit or digits shall be considered as one word. Any number which is spelled, such as "one," shall be considered as a separate word or words. "One" shall be counted as one word whereas "one hundred" shall be counted as two words. "100" shall be counted as one word.

(8) Telephone numbers shall be counted as one word.

(9) Internet web site addresses shall be counted as one word.

(b) This section shall not apply to counting words for ballot designations under Section 13107.

Sec. 13307. (a) (1) Each candidate for nonpartisan elective office in any local agency, including any city, county, city and county, or district, may prepare a candidate's statement on an appropriate form provided by the elections official. The statement may include the name, age and occupation of the candidate and a brief description, of no more than 200 words, of the candidate's education and qualifications expressed by the candidate himself or herself. However, the governing body of the local agency may authorize an increase in the limitations on words for the statement from 200 to 400 words. The statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations. (2) The statement authorized by this subdivision shall be filed in the office of the elections official when the candidate's nomination papers are returned for filing, if it is for a primary election, or for an election for offices for which there is no primary. The statement shall be filed in the office of the elections official no later than the 88th day before the election, if it is for an election for which nomination papers are not required to be filed. If a runoff election or general election occurs within 88 days of the primary or first election, the statement shall be filed with the elections official by the third day following the governing body's declaration of the results from the primary or first election. (3) Except as provided in Section 13309, the statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5 p.m. of the next working day after the close of the nomination period.

(b) The elections official shall send to each voter, together with the sample ballot, a voter's pamphlet which contains the written statements of each candidate that is prepared pursuant to this section. The statement of each candidate shall be printed in type of uniform size and darkness, and with uniform spacing. The elections official shall provide a Spanish translation to those candidates who wish to have one, and shall select a person to provide that translation from the list of approved Spanish language translators and interpreters of the superior court of the county or from an institution accredited by the Western Association of Schools and Colleges.

(c) The local agency may estimate the total cost of printing, handling, translating, and mailing the candidate's statements filed pursuant to this section, including costs incurred as a result of complying with the federal Voting Rights Act of 1965, as amended. The local agency may require each candidate filing a statement to pay in advance to the local agency his or her estimated pro rata share as a condition of having his or her statement included in the voter's pamphlet. In the event the estimated payment is required, the receipt for the payment shall include a written notice that the estimate is just an approximation of the actual cost that varies from one election to another election and may be significantly more or less than the estimate, depending on the actual number of candidate filing statements. Accordingly, the elections official is not bound by the estimate and may, on a pro rata basis, bill the candidate for additional actual expense or refund any excess paid depending on the final actual cost. In the event of underpayment, the elections official may require the candidate to pay the balance of the cost incurred. In the event of overpayment, the elections official shall prorate the excess amount among the candidates and refund the excess amount paid within 30 days of the election.

(d) Nothing in this section shall be deemed to make any statement or the authors thereof free or exempt from any civil or criminal action or penalty because of any false, slanderous, or libelous statements offered for printing or contained in the voter's pamphlet.

(e) Before the nominating period opens, the local agency for that election shall determine whether a charge shall be levied against that candidate for the candidate's statement sent to each voter. This decision shall not be revoked or modified after the seventh day prior to the opening of the nominating period. A written statement of the regulations with respect to charges for handling, packaging, and mailing shall be provided to each candidate or his or her representative at the time he or she picks up the nomination papers.

(f) For purposes of this section and Section 13310, the board of supervisors shall be deemed the governing body of judicial elections.

Sec. 13308. In addition to the restrictions set forth in Section 13307, any candidate's statement submitted pursuant to Section 13307 shall be limited to a recitation of the candidate's own personal background and qualifications, and shall not in any way make reference to other candidates for judicial office or to another candidate's qualifications, character, or activities. The elections official shall not cause to be printed or circulated any statement which the elections official determines is not so limited or which includes any reference prohibited by this section.

Word Count Guidelines

The County Elections Official uses the guidelines listed below for counting words:

- 1. The name, office title and age at the top of the form are not counted, only the text.
- 2. Punctuation marks are not counted.
- 3. Geographical names such as cities, towns or states are counted as one (1) word. EXAMPLES: Hamilton City, Glenn County, San Francisco County, New York
- 4. The words "a", "l", "the", "and", "an", are counted as individual words.
- 5. MONETARY AMOUNT such as \$1,000 is counted as one (1) word.
- 6. ABBREVIATIONS are counted as one (1) word.

EXAMPLES: UCLA, PTA, USMC, L.A.P.D.

7. Hyphenated words that appear in any generally available standard reference dictionary within the 10 (ten) calendar years directly preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

8. NUMERIC COMBINATIONS – are counted as one (1) word.

EXAMPLES: 1973, 13 ¹/₂, 1971-73, 5%, 8/3/91.

9. Internet web addresses and telephone numbers shall be counted as one word.

(EC Section 9)

If the text exceeds the word limit, the author will be asked to delete or change a sufficient number of words, or a sentence, until the statement is within the required word limit. Printing requirements make it necessary to print all statements in a uniform style. All statements, therefore, will be set in a left-justified format, so as to fit within a $\frac{1}{4}$ page space (for a 200-word statement). Entire statements in all capital letters, multiple indentations, circles, or arrows cannot be accommodated. Generally, any characters that can be produced from a standard keyboard are acceptable. (i.e. !, @, *, %, &, #, (), +, =, -).

It is the policy of the County Elections Official that statements will not be accepted if they include bold face type, All Caps, Italics or Underlining.

All statements should be checked by the candidate for spelling and punctuation, as the County Elections Official is not permitted to edit any material contained therein. Statements will be printed exactly as submitted.

We encourage candidates to submit their statements on a CD using either 8 or 10 point Arial Font. Nothing in the foregoing shall be deemed to make any such statement or the authors thereof free or exempt from any civil or criminal action or penalty because of any false, slanderous or libelous statements offered for printing or contained in the Voter's Information Pamphlet. Guidelines for Preparing a Candidate Statement of Education & Qualifications for Inclusion in the Glenn County Voter Information [EC 13307]

- Candidate Statements of Qualifications are optional and are printed at the expense of the candidate, unless otherwise determined by the governing body. Candidates are required to prepay the estimated cost and will either be billed for the additional cost or refunded any overpayment following the election. Estimated costs for Statements of Qualifications are based on the total costs of printing, handling, translating and mailing the candidate's statements.
- The body of the statement (not including the name, age and occupation subheading) shall not exceed 200 words. (or 250 words for candidates for US Representative in Congress, State Senator, and Member of the State Assembly) Words are counted pursuant to Elections Code Chapter 1, Section 9.
- Candidates must carefully check their statements for spelling, punctuation or grammatical errors. The County Clerk is not responsible for making corrections to the candidate's statement.
- Statements must be provided in electronic format in Microsoft Word, along with a printed hard copy signed by the candidate.
- Statements shall be limited to a recitation of the candidate's own personal background and qualifications, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. Statements shall not include the party affiliation of the candidate nor membership or activity in partisan political organizations.
- Statements shall be written in the first person. Each statement shall be accompanied by declaration executed under penalty of perjury declaring that the information contained therein is true and correct.
- Statements will be printed in random alphabet order unless repositioned due to space considerations. Statements do not rotate.

FILING INFORMATION

- Statements shall be filed with the county elections official when nomination papers are returned for filing.
- Statements shall remain confidential until the expiration of the filing deadline. Statements may be withdrawn, but not changed, during the period for filing nomination papers and until 5 p.m. of the next working day after the close of the nomination period.
- Statements are subject to examination and challenge by any voter of the jurisdiction for a period of 10 calendar days following the close of the filing for each office.
