NEWS RELEASE

October 8, 2019

Glenn County Transfer Station Opens on October 14, 2019

The County of Glenn Public Works Agency, Solid Waste Division, announces the opening of the new Glenn County Transfer Station on Monday, October 14, 2019. Operating hours will remain unchanged from landfill operations, Monday through Saturday 8:00 am-4:30 pm.

The Transfer Station is located at the former Glenn County Landfill site at 5700 County Rd 33 Artois, CA. Saturday, October 12, 2019, will be the final day of landfilling activities at the site.

Important changes for Glenn County residents are as follows:

- Animal carcasses will not be accepted at the Transfer Station. Glenn County residents can drop off carcasses at the Neal Road Recycling and Waste Facility (1023 Neal Rd. Paradise, CA), by appointment only. To schedule disposal of animal carcasses please call the Neal Road Facility at 530-345-4917.
- Waste loads containing **exclusively** green waste will not be accepted at the Transfer Station. Green waste loads can be brought to Compost Solutions, Inc., located at 6900 County Road 27, Orland, CA. Please call (530) 624-3206 with any questions.

For questions regarding our transfer station or recycling programs, please contact Cole Grube with the Public Works Agency at (530) 934-6530.
