

HEALTH AND HUMAN SERVICE AGENCY PROGRAM MANAGER

DEFINITION

Under general direction, plans, organizes, directs and controls the activities and staff for a variety of County Health and Human Services Agency programs. This classification works under the direction of the Deputy Director or Director, and performs related duties as assigned.

DISTINGUISHING CHARACTERISTICS

The Program Manager describes a position having managerial and supervisory responsibility for a County program(s) which provides direct service to the public or other public agencies. Program Managers typically report to a Department Head and are held accountable for the success of the program(s); and acts on behalf of the Department Head. This class is distinguished from the Health and Human Services Senior Program Coordinator in that the Coordinator level does not assume overall authority over activities and operations of singular or multiple programs.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from the Deputy Director or Director; exercises direct and in-direct supervision over professional, technical and clerical staff.

EXAMPLES OF DUTIES--Duties may include, but are not limited to, the following:

Manage the daily work activities of programs such as, but not limited to, Child Welfare Services and/or Adult Services, Employment Services, Eligibility Services, Community Action Services, Health Services programs, etc., directly or through subordinate supervisors, by establishing performance levels, communicating goals and performance expectations, and monitoring and reviewing work to ensure conformance to established policies and procedures, and standards for quality and timeliness.

Assess service delivery to communicate findings to upper management, implement changes to improve efficiency and service quality, maximize effectiveness of program operations, and ensure alignment with the agency's mission.

Recommend and assist in the implementation of goals and objectives for department programs; establish schedules methods for services; implement department policies and procedures.

Evaluate operations and activities of department and/or program and recommend improvements and modifications.

Oversee personnel actions to determine compliance with policies and procedures, and provide guidance to subordinate supervisors regarding personnel matters.

Ensure that programs or work units are staffed with qualified individuals by resolving performance problems, documenting performance according to policy, training and developing staff, and assisting in the selection, hiring, and promotion of staff.

Program Manager –

Coordinate department activities with other departments, divisions, sections and outside agencies and organizations.

Conduct informal counseling on work issues, prepare documentation and improvement plans for deficiencies, and recommend disciplinary action.

Serve as an internal technical expert regarding program matters by providing consultation and guidance to staff regarding problems with complex social service cases and delivery of services, and taking corrective actions to improve the quality and efficiency of social services.

Work collaboratively with personnel of other agencies, community groups, contractors, and other public and private organizations to determine needs for social services, and coordinate shared services or collaborative projects, or the provision of services by contracted agencies.

Interpret laws and regulations, including new laws and proposed legislation, to determine relevancy to department operations and services, and assess program compliance with laws and regulations.

Prepare grant, budget, and other material such as Requests for Proposals, Requests for Qualifications, and other information, as needed by the program, Board meetings, Board task forces, community organizations, interagency committee and other meetings and conferences.

May respond to emergency situations and use the media to communicate important program information.

Perform general administrative work as necessary, including preparing reports and correspondence, copying and filing documents, entering computer data and preparing spreadsheets and custom reports.

Perform related duties as assigned.

QUALIFICATIONS:

Knowledge of:

Program development, administration, and service delivery related to HHSA programs

Principles and practices of state and federal regulations, statutes, rules, ordinances, code and regulations pertinent to HHSA programs

Principles and practices of organization, administration and personnel management

Federal, state, and local laws, rules, and regulations governing the operation of public social services agencies, including the California Welfare and Institutions Code and the California Department of Social Services Division Regulations
