INTRODUCTION

The Glenn County Fleet Management Division, in accordance with Glenn County Purchasing Policy, is providing bid specifications and related documents to prospective bidders for the purchase of vehicles more particularly described in the specifications that follow.

The Fleet Management Division has prepared this document and is solely responsible for its content. It is the intent of this division to prepare specifications that are generic and impartial to make, model and manufacturer of related vehicles or equipment while meeting the minimum needs of the County.

All Glenn County new vehicle dealers, in addition to dealers outside the local area who have requested to be placed on the bidders list, have been provided the attached solicitation.

Information regarding the attached specifications and related documents may be obtained by contacting the Fleet Management Division at the address and phone number indicated below during normal business hours Monday through Friday, 8:00 am. – 5:00 pm.

Your participation in the Glenn County competitive bidding process is encouraged and appreciated.

B. NOTICE TO BIDDERS

Notice is hereby given that **sealed bids shall be received until 10:30 AM, Tuesday, December 05, 2017** by the County of Glenn, State of California, in the office of the Fleet Operations Manager, 453 East County Road 49½, Willows, CA 95988, for the purchase of “Vehicles” more particularly described in the specifications that follow, and shall be opened publicly at that time. Official bid package is available on our Announcements / Project & Service Bids website at [Project & Service Bids | County of Glenn: http://www.countyofglenn.net/govt/bids](http://www.countyofglenn.net/govt/bids)

Bidders shall insure that bid packages are addressed to:

Fleet Operations Manager, 453 East County Road 49½, Willows, CA 95988.

It is the responsibility of the bidder to insure bids are in the custody of the Fleet Operations Manager at the designated time of opening. Bids received after the stated bid close period, stated within, and bids submitted via facsimile (fax), shall not be accepted. Furthermore, bid package(s) submitted via Federal Express, UPS or Other carrier service should be enclosed in an envelope marked **“VEHICLE QUOTE”** and placed in the normal carrier envelope. Bidders utilizing mail services are encouraged to deliver bid package(s) two (2) days prior to the bid opening in order to allow for internal mail sorting, routing and delivery.

Bids shall be submitted with no exceptions to the specifications, except as hereinafter set forth. All bids shall be submitted on the bid form provided. Bidders shall also include an itemized list displaying equipment model, standard or optional equipment items bid in accordance with the specifications. Prices for these equipment items need not be displayed unless stated within specifications for a particular unit.

The contract documents shall be comprised of: Notice to Bidders, the Specifications, and the Bid Forms. Acceptance of a bid by the Board of Supervisors, as evidenced by the signature of the Fleet Operations Manager on the Bid Form and/or the issuance of a County Purchase Order, shall constitute a contract with the successful bidder for delivery of the specified equipment or vehicle(s) at the bid price and within the delivery date stated, consistent with the following paragraph.

The equipment shall be **DELIVERED**; F.O.B. to the Glenn County Fleet Management Division located at 453 East County Road 49½ Willows, CA 95988. The delivery date shall be within 90 calendar days of the bid award. When the Fleet Operations Manager is satisfied that the equipment or vehicle(s) as delivered, are in accordance with the specifications, that all specified equipment is

installed and in proper operating condition, he shall indicate thus by his signature on a form to be provided. No payment, initial or total, shall be made until such evidence of acceptance is provided.

The normal manufacturer's warranty shall apply to the items(s) and all installed equipment. Said warranty shall be in force immediately upon acceptance of the equipment or vehicle(s) specified. Glenn County shall have the option of paying for the equipment or vehicle(s) in a single payment at or about the time of acceptance of the equipment or vehicle(s). In connection with any discount offered, time will be computed from the date correct invoices are received in the office of the Glenn County Fleet Management Divisions if the latter date is later than the date of delivery. Payment will be deemed to be made, for the purpose of earning discounts, on the date of the mailing of the County's warrant.

The Fleet Operations Manager may reject any and or all bids presented, and may accept an item, or group of items, of any bid, may modify or cancel in whole or in part, the notice inviting bids, and may determine to re-advertise for bids. Similarly, the Fleet Operations Manager and or the Board of Supervisors or their designee, reserves the right to waive informalities and minor irregularities in any bids received, except late submissions or bids submitted via facsimile.

Bidders are urged to contact the Fleet Operations Manager at once, if the specifications are such as to preclude a particular manufacturer from submitting a bid. If a modification to the specification(s) appears in order, any such modification will be circulated to all specification holders 72 hours prior to the time set for the opening of bids.

Bidders are advised that this solicitation seeks bids for new 2017 or 2018 model year units. The County, in its discretion, may award the contract to other than the lowest responsible respondent. The equipment or vehicle's delivery date will also be considered during the bid evaluation process.
