

GENERAL PROVISIONS

1. Safety of Other Traffic. Permittee shall at all times give strict attention to the safety and rights of the traveling public.
2. Yield Right of Way. When being passed by vehicles traveling in either direction, no portion of equipment or trailers shall extend beyond the center line of pavement or traveled way.
3. Protection of Bridges or Narrow Roads. When crossing bridges or on roads so narrow that it is impossible to comply with paragraph #2 one man shall be posed behind and one man ahead of such equipment to warn and direct approaching traffic.
4. This permit regulates Glenn County roads only and does not permit travel upon State Highways when a Division of Highways Transportation Permit must be obtained. No work other than that specifically mentioned is authorized hereby.
5. Permittee shall insure that each unit traveling the route approved by the County will contain a copy of permit in vehicle.
6. Moving in Foggy or Rainy Weather. No moving shall be done in foggy or rainy weather either day or night except on special occasions.
7. Parking on Highway. If necessary to park equipment or to leave a structure on the highway at night, it shall be moved off the highway or pavement so as to interfere in no way with passing traffic. Warning lights shall be displayed so as to fully protect said traffic.
8. No Moving During Heavy Traffic. Equipment or structures covered by this permit shall not be moved over the highways on Saturday afternoons, Sundays, or Holidays, unless specifically so stated on the face hereof.
9. Responsibility for Bridges. The permittee shall comply with all rules posted on any bridges over which he shall pass and shall assume all risks relative thereto. When a power shovel is moved under its own power over asphaltic surface bridges, running planks or heavy belling sufficiently wide to protect the surface must be used under the, shovel tracks.
10. Permit Subject to Inspection. The Permit must be carried on the equipment or structure at all times while it is being moved within the highway limits. It shall be submitted for inspection on demand of an authorized employee of the County or of any law enforcement officer.
11. Repair of Damage. In accepting this permit, the Permittee agrees to repair at his own expense and to the satisfaction of the County Engineer any damage to the highway or structures. The moving or doing of any work on the highway shall be considered an acceptance of the permit. Work of repair may be done by the County forces at the option of the County Engineer. The cost is to be borne by the Permittee.
12. Liability for Damages. The Permittee is responsible for all liability for personal injury or property damage which may occur through any act or omission of the Permittee when acting under this permit, and in the event any claim is made against the County of Glenn or any department, officer, or employee thereof, through, by reason of, or in connection with any such act or omission. Permittee shall defend, indemnify and hold them and each of them harmless from such claim. Permittee must have sufficient liability and collision insurance to provide indemnity for any injury resulting from the operation of permit vehicles.
13. Time Limit. Unless specifically stated on the face, this permit is good for only one trip between the points designated.
14. Comply with Applicable Law. Except as specifically provided herein, the requirements of the Vehicle Code and any other applicable laws must be complied with in all particulars.
15. In the use of this permit, Permittee agrees to the fullest extent permitted by law, to indemnify and hold harmless the County, its agents, officers, and employees against and from any and all claims, lawsuits, actions, liability, damages, losses, expenses, and costs (including but not limited to attorneys' fees) brought for, or on account of, injuries to or death of any person or persons, including employees of the Permittee, or injuries to or destruction of property, including the loss of use thereof, arising out of, or alleged to arise out of, or resulting from, the transportation described herein, provided that any such claim, lawsuit, action, liability, damage, loss, expense or cost is caused in whole or in part by any negligent or intentional act or omission of the Permittee or any subcontractor of Permittee; anyone directly or indirectly employed by either of them.
